Dear Link parents,

Please be advised that Link Community Charter School has extended its school closure at the direction of the New Jersey Governor Phil Murphy. At this time, the closure is ongoing and indefinite. During this closure, students will engage in homebound or remote instruction. This closure is being called due to the COVID-19 Coronavirus.

Any changes to this plan will be communicated to families in due course.

Sincerely,

A handwritten signature in black ink that reads "Maria Pilar Paradiso". The signature is written in a cursive style with a long horizontal flourish at the end.

Maria Pilar Paradiso  
Head of School
